

The IT Association – Zeitgeist

Zeitgeist, the IT association of the Department of Computer Application, Kristu Jyoti College of Management and Technology; is a joint venture of all the faculty members of the department and representatives from classes of both MCA and BCA programs. The IT Association is involved in the planning and integration of student technical activities. It promotes a sense of group responsibility and plays the critical role of student representation for preparing themselves to the IT industry.

Aim

The main objective of the Zeitgeist, the IT Association of Kristu Jyoti College of Management and Technology, is to provide platform to students to explore their skills and knowledge through curricular and extra-curricular activities in the field of IT. Zeitgeist is committed to the overall development of students by organizing various such as “DAKSH”, the National level IT-Fest and several other Technical and Non-Technical Events and Programs,

Objectives

- The association works with the goal of overall development of the students, which includes Co-ordination skills, Risk Management, Leadership and Innovative & Critical Thinking.
- To encourage the students to participate in industry related activities.
- To educate students about growing IT technologies and Industry Practices.
